

ALTHOUGH THE INSTANT TRAVEL AND WEATHER IS NOT AVAILABLE IN MY AREA YET I TRAVEL IN SOME OF THE CITIES THIS SERVICE ACTIVE AND IT IS A GREAT BENEFIT. THE REASON I SUBSCRIBED TO SATELLITE RADIO IS DUE TO THE LACK OF PROGRAMING I ENJOY. IT APPEARS THAT IN SOME MARKETS TRADATIONAL RADIO DOES NOT MEET THE NEEDS OR TASTES OF SOME LISTNERS.

I AM APPAULED AT ANY RESTRICTIONS OF THIS SERVICE.

THE NATIONAL INSTITUTE OF BROADCASTERS SHOULD LOOK AT WHAT THE RADIO LISTNERS ARE NEEDING INSTEAD OF TRYING TO ELIMINATE FREE COMPETITION VIA THE UNITED STATES CONGRESS.
